

Status of Progress on Decisions Taken at the Second Meeting of the CREWS Steering Committee	
2nd Steering Committee Decisions	Status
The Steering Committee approves the Operational Procedures Note No 1 Programming and Project Development, with the pending inclusion of three additional programming principles; (1) people-centered, (2) gender sensitive and (3) coherence and coordination. A further change will reflect the importance to align with existing initiatives on risk-sharing and insurance in the country projects at the stages of the identification of programming priorities and implementation. The revised Note will be circulated to the Steering Committee for approval, under a no-objection procedure.	Done.
The Steering Committee requests the CREWS Secretariat to develop, in consultation with the gender experts in the Implementing Partners organizations, an Operational Procedures Note on Gender Sensitive Programming for CREWS for consideration at the next Steering Committee meeting.	To be addressed under Agenda Item 4.
The Steering Committee approves the Operational Procedures Note No. 2 on Monitoring and Evaluation, with the pending inclusion of gender sensitive aspects in the Monitoring Framework once the Operational Procedures Note on Gender Sensitive Programming for CREWS has been developed. The revised Note will then be circulated to the Steering Committee for approval, under a no-objection procedure.	Pending approval of the Operational Procedures Note on Gender Sensitive Programming.
The Steering Committee requests the Secretariat to revise the Template Format for project submissions and the Monitoring Framework to reflect gender considerations.	Pending approval of the Operational Procedures Note on Gender Sensitive Programming.
The Secretariat was invited to consult with the Implementing Partners to prioritize and set a timeline for the allocation of funds based on project readiness and the advancement of consultations in country,	Done. Allocations approved in March 2017.

<p>keeping the Chair informed. The proposed allocations will be circulated to the Steering Committee for approval, under a no-objection procedure.</p>	
<p>The Secretariat was invited to consult with the three Implementing Partners and relevant regional organizations in the Caribbean (CDEMA), the Association of Caribbean States (ACS) and the Caribbean Institute for Meteorology and Hydrology-CIMH) to carry out a rapid mapping of capacity, gaps, needs and ongoing initiatives on early warning in order to allow the Steering Committee to identify a priority country or priority countries to guide discussions at the upcoming session of the Steering Committee.</p>	<p>To be addressed under Agenda Item 2.</p>
<p>Based on the result of the mapping, the Steering Committee will revise the Investment Plan to include a project(s) from the Caribbean region.</p>	<p>To be addressed under Agenda Item 3.</p>
<p>The Chair will revert to the Steering Committee by email with a suggested date and time for the Third Meeting</p>	<p>Done.</p>
